

A. ONE-ON-ONE INTERACTIONS

The majority of child sexual abuse is perpetrated in isolated, one-on-one situations. By reducing such interactions between children and adults, you reduce the risk of child sexual abuse. However, one-on-one time with trusted adults is also healthy and valuable for a child. Policies concerning one-on-one interactions protect children while allowing for these beneficial relationships.

The following is a model one-on-one policy, provided to assist Covered Organizations in developing their own policies. Any policy developed by a Covered Organization must include the Mandatory Components. If a Covered Organization does not create a policy for one-on-ones, the Mandatory Components and Recommended Components will become the default policy for appropriate one-on-ones for that organization.

Mandatory Components

Covered Organization policies must include components a through e.

a. Application

This policy shall apply to:

- 1) Adults at a facility under the jurisdiction of a Covered Organization or at an event sanctioned by a Covered Organization.
- 2) Adult members who have regular contact, related to participation in soccer, with amateur athletes who are minors
- 3) An adult authorized by a Covered Organization to have regular contact with or authority over an amateur athlete who is a minor
- 4) Staff and board members of a Covered Organization (collectively, Adults).

b. Observable and interruptible

- One-on-one interactions between minors and an Adult (who is not the minor's legal guardian) at our facility are permitted, if they occur at an observable and interruptible distance by another adult.
- Isolated, one-on-one interactions between minors and an Adult (who is not the minor's legal guardian) at our facility are prohibited, except under emergency circumstances.¹

¹ Adult personal care assistants authorized by a parent or guardian to help athletes requiring assistance with activities of daily living are permitted to interact with minor athletes one-on-one in a private setting, provided parent/guardian consent has been obtained.

c. Meetings

- Meetings between Adults and minors at our facilities may only occur if another adult is present, except under emergency circumstances. Such meetings must occur where interactions can be easily observed and at an interruptible distance from another adult.
- If a one-on-one meeting takes place in an office, the door to the office must remain unlocked and open. If available, it will occur in an office that (if available) has windows, with the windows, blinds, and/or curtains remaining open during the meeting.

d. Meetings with mental health care professionals

If a mental health care professional meets with minors at our facilities, a closed-door meeting may be permitted to protect patient privacy – provided that (1) the door remains unlocked, (2) another adult is present at the facility, (3) the other adult is advised that a closed-door meeting is occurring, although the minor’s identity need not be disclosed, and (4) written legal guardian consent is obtained by the mental health care professional, with a copy provided to our organization.

e. Individual training sessions

Individual training sessions between Adults and minors are permitted at our facility if the training session is observable and interruptible by another adult. The Adult must obtain the written permission of the minor’s legal guardian in advance of the individual training session. Parents, guardians, and other caretakers must be allowed to observe the training session. Permission for individual training sessions must be obtained at least every six months, and such permission may be withdrawn at any time.

Recommended Components

f. Monitoring

When one-on-one interactions between Adults and minors occur at our facility, adults will monitor these interactions. Monitoring includes knowing that the one-on-one interaction is occurring, the approximate planned duration of the interaction, and randomly dropping in on the one-on-one.

g. Out-of-program contacts

Adults are prohibited from interacting one-on-one with unrelated minor athletes in settings outside of the program (including, but not limited to, one’s home, restaurants, and individual transportation), unless parent/legal guardian consent is provided for each out-of-program contact. Such arrangements are nonetheless strongly discouraged.

h. Parent Training

Parents/guardians receive the U.S. Center for SafeSport's education and training on child abuse prevention before providing consent for their Minor Athlete to have a meeting or training session with an Adult Participant subject to these policies.

B. MESSAGES AND RUBDOWNS

The following is a model massages and rubdowns policy, provided to assist Covered Organizations in developing their own policies. - 4) Staff and board members of a Covered Organization

(collectively, Adults).

b. Licensed, certified professional

- Any massage or rubdown performed by an Adult on a minor athlete at our facilities or a training or competition venue is prohibited unless such Adult is a licensed massage therapist.
- Any massage or rubdown performed at our facilities or a training or competition venue by a licensed professional must be observable and interruptible. Any massage of a minor athlete must be done with at least one other adult present and must never be done with only the minor athlete and licensed massage therapist in the room.
- Even if a coach is a licensed massage therapist, the coach shall not perform a rubdown or massage of an athlete under any circumstances.

- The provider of any massage or other athletic training therapy should narrate the steps in the activity before taking them, seeking assent of the minor athlete throughout the process.

C. LOCKER ROOMS, REST ROOMS AND CHANGING AREAS

The following is a model locker room, rest room, and changing area policy provided to assist Covered Organizations in developing their own policies. Any policy developed by a Covered Organization must include the Mandatory Components. If a Covered Organization does not create a locker rooms, rest rooms, and changing areas policy, the Mandatory Components and Recommended Components will become the default policy for that organization.

Mandatory Components

Covered Organizations must include components a through f.

Exceptions may be made for media and championship celebrations, provided that such exceptions are approved by the Covered Organization and two or more adults are present.

c. Undress

- Under no circumstances shall an unrelated Adult at a facility under our organization's jurisdiction be undressed (disrobed or partial or full nudity where private body parts are exposed) in front of or shower with minor athletes.

d. Isolated one-on-one interactions

- At no time are unrelated Adults permitted to be alone with a minor in a locker room, rest room, or changing area when at a facility under our jurisdiction, except under emergency circumstances.²
- If our organization is using a facility that has access to a single set of such facilities, we will designate times for use by Adults, if any.

e. Monitoring

Our organization regularly and randomly monitors the use of locker rooms, rest rooms, and changing areas at facilities under our jurisdiction to ensure compliance with these policies. Our organization will provide a private or semi-private place for minor athletes to change clothes or undress at sanctioned events that include locker rooms and/or changing areas for athlete use.

f. Non-exclusive facility

If our organization uses a facility not under its jurisdiction (for, e.g., training or competition or similar events) and the facility is used by multiple constituents, Adults in categories 2 through 4 are nonetheless required to adhere to the rules set forth here.

Recommended Components

- g. Adults make every effort to recognize when an athlete goes to the locker room or changing area during practice and competition and, if they do not return in a timely fashion, we will check on the athlete's whereabouts.
- h. We discourage parents from entering locker rooms and changing areas unless it is truly necessary. In those instances, it should only be a same-sex parent. If this is necessary, parents should let a coach or administrator know about this in advance.

² Adult personal care assistants authorized by a parent or guardian to help athletes requiring assistance with activities of daily living are permitted to assist minor athletes one-on-one, provided parent/guardian consent has been obtained.
