

This charter is to define the roles and responsibilities of the Fan Advisory Council (FAC) for the Chicago House Athletic Club (CHAC).

The FAC was established in order to fulfill the following responsibilities:

1. Ensuring the Chicago House AC Front Office consistently adheres to the values developed and defined as:
 - a. A dedication to social justice, equality, and helping to serve the underserved
 - b. A dedication to the Chicago community and being recognized as highly successful in making a significant social contribution
 - c. A dedication to delivering best in class service to fans, partners, and anyone that steps through our gates by putting the fan and their experience at the center of everything we do
2. Serve as guidance to the Front Office in order to ensure the entirety of Chicago is represented and valued by ensuring that diversity and inclusion remain strong principles and all voices are heard.
3. Hold the Front Office accountable to the aforementioned values and defined mission.
4. Ensure Chicago House Athletic Club becomes and continues to be a community asset and remains in the Chicagoland area.
5. Serve as guidance to the Front Office on where to direct charitable funds.
6. Serve as guidance to the Front Office on how to begin and maintain authentic, genuine community interaction and presence.
7. Serve as ambassadors for the Club with responsibilities including but not limited to:
 - a. Facilitating introductions with community leaders, influencers, and other groups.
 - b. Facilitating community outreach and engagement projects
 - c. Cultivating new Fans by promoting and positively representing Chicago House AC within respective communities
 - d. Promoting and establishing the values of this charter within the group and among supporters
 - e. Regularly attend and participate in FAC meetings
8. Advise on the subject of fan ownership including timing, cost, share value, benefits, capital distribution and voting rights.

9. Advise the Front Office on both sourcing and engaging potential “Athletic Club” teams while helping integrate them into CHAC mission, vision and wearing the badge.
10. Host public-facing meetings and relay concerns, ideas, and questions from the public to the Front Office.

The FAC was established in 2020 in order to ensure the aforementioned guiding principles are followed as well as to ensure that Chicago House AC is a team built in Chicago, by Chicago, and for Chicago.

Additionally, this Council will be responsible for revisiting both the scope and effectiveness of this document every calendar year to ensure up to date provisions and any possible amendments.

The Council will continue to operate as an advisory board to the Club until a time when both parties deem it no longer useful, or until a fan-ownership model is established, at which point the FAC will transition into a representative group for Fan Owners.
